OM

Andy Warhol

den 11 augusti ·

"Relatively little, however, has been made of Warhol's sightseeing blitz across the country in 1963 — a trip that helped confirm for the shy young artist that his status of a multimedia pioneer and lit star was worth celebrating."

Santa Claus fights bankruptcy in Lapland

Santa Claus's office has just a few days to pay off £140,000 of debts after it was hit by the European economic crisis and Russian sanctions
